

BUMPY JOURNEY

1 We're on a bumpy journey
And we're leaving early,
Off to Bethlehem and so far away.
We'll take it nice and steady
'Cause our bags are heavy
And the baby could be born any day!

2 **Repeat verse 1**

CHORUS *Got to get a-moving
'Cause we're going on a journey
That'll take us many miles and many ways.
Gonna have to hurry
'Cause we're going on a donkey
And the baby's getting bigger every day!*

3 We're on a bumpy journey
Going very slowly,
With so far to go and nowhere to stay.
We're feeling tired and hungry
'Cause we've come a long way
And the baby could be born any day!

4 **INSTRUMENTAL/DANCE***

CHORUS

5 We're on a bumpy journey
Going very slowly,
With so far to go and nowhere to stay.
We're feeling tired and hungry
'Cause we've come a long way
And the baby could be born any day!
The baby could be born any day!

**Please see the Out of the Ark website for choreography ideas for this song (www.outoftheark.com/IAPdances).*
