

GO TO SLEEP

- 1 Go to sleep, little one,
Go to sleep my darling.
Angels in the sky above
Keep you safe 'til morning.
- 2 Go to sleep, little one,
Though the night is falling,
Darkness will be chased away,
Light will soon be dawning.
- 3 **INSTRUMENTAL**
- 4 Go to sleep, little one,
Peaceful dreams are calling.
Who can know the life that's come,
Son of God before me?
